****

O R D E R

In the letters 3rd and 5th read above, the Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada based on the report furnished by the Chief Engineer, Krishna Delta System, Vijayawada, has recommended the proposal to Government to accord permission to M/s Indian Oil Corporation Ltd. (IOCL) for drawl of 150 KLD (0.0613 Cusecs) of water from Guntur Channel near Tadepalli Mandal for a period of 8 months from August to March in every year for a tenure of 5 years, subject to payment of royalty charges at Rs. 5.50 per 1000 Gallons, as per the instructions issued in the Government Memo 2nd read above, and at the rates fixed by the Government from time to time and subject to the following terms & conditions:

1) The firm Indian Oil Corporation Ltd. (IOCL), Tadepalli Village, Tadepalli Mandal, Guntur District shall not have any right to draw water without permission of the department.
2) The firm cannot claim the permission as a right at the cost of irrigation.
3) The firm can draw water only as and when there is sufficient flows available in canal, without effecting the irrigation and drinking water demand on any existing or proposed projects already.
4) The cost of construction of pipe line and other infrastructure should be borne by the firm duly acquiring the necessary land etc., at their own cost.
5) The water rates payable shall be as levied by the Government as per the norms of domestic: water supply from time to time.
6) Pump House should be constructed away from the channel bund.
7) Off take sluice should be constructed as per the norms of Water Resources Department and banks should be protected with wing walls and banks should be constructed with proper consolidation under the supervision of the Departmental officers.

(P.T.O)

8) The sill level of Intake pipeline should be fixed above ½ FSL of the canal.
9) Water measuring devices should be placed at the off take point and proper locking arrangements and shuttering arrangements must be made with their own cost under the supervision of the Water Resources Department.
10) The operation of off-Take sluice shall be under the control of Water Resources Department only.
11) Water Supply will be stopped when there is lean flows in the channel.
12) The water charges are to be paid in advance for the year on Demand as per the rate fixed by the Government.
13) The firm should be given an undertaking that they will not raise any Legal complications for not supplying of water during the drought period, short fall of rains and any type of unforeseen problems.
14) The Industry shall abide any other applicable conditions/norms laid down by the Government /Department from time to time.

2. After careful examination of the matter, Government hereby accord permission to M/s Indian Oil Corporation Ltd. (IOCL) for drawl of 150 KLD (0.0613 Cusecs) of water from Guntur Channel near Tadepalli Mandal, Guntur District, for a period of 8 months from August to March in every year for a tenure of 5 years, under the condition of payment of water royalty charges @ Rs. 5.50/- per 1000 gallons and at the rates fixed by the Government from time to time subject to the conditions mentioned at above para.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, Chief Engineer, Krishna Delta System, Vijayawada and the Collector & District Magistrate of Guntur district shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
